

Waste Management is proud to be the refuse service provider for Middleton, and beginning September 29, 2015, we will be introducing Single Stream Recycling to the residents of Middleton. Please take the opportunity to review the updated information in this brochure to learn more about your waste and recycling services. Should you need additional information, please contact us at:

Town Office Phone: (603) 473-2261

Town website: www.middletonnh.gov

Waste Management: (800) 847-5303

Thank you and we appreciate your cooperation.

Sincerely,

Waste Management

Collection Day & Time

Trash will be collected weekly, and recycling collection will occur every other week. All materials should be placed at the curb by 7:00 a.m. on your collection day. Collections will only be delayed for holidays that fall on Mondays. A 2015-2016 Collection Calendar indicating your recycling collection weeks is included in this brochure for your convenience.

The following items cannot be included in your waste collection:

- Yard waste
- Dirt, sod, concrete or rock
- Construction, demolition debris
- Household hazardous waste
- Hot ashes or flammable materials such as oil, gas or paint
- White goods, such as household appliances
- Electronic waste such as computers, monitors, hard drives or televisions

Recycling

Recycling not only conserves precious natural resources, but also helps to reduce costs by decreasing the amount of materials that go to the landfill. Please see the back panel of this brochure to determine what items are acceptable for recycling.

Your recycling container should be placed curbside every other Tuesday on the same day as your regular trash collection. You do not need to sort your recyclables. Check the 2015-16 Collection Calendar in this guide to determine your Green recycling collection weeks.

Bulk Waste

Bulk waste includes items that will not fit into your trash container or bag, such as furniture, mattresses, box springs, mirrors, rugs, etc. These items will continue to be collected free of charge to residents on October 6, 2015 and May 3, 2016. Simply have these items curbside by 7:00 a.m. on your designated collection day.

Household Projects

The weekly refuse collection program is not intended to service large household project waste. For this type service, contact Waste Management at (800) 847-5303. Or visit www.thebagster.com for more information on our NEW Bagster, "Dumpster in a Bag" program. To introduce you to Bagster, please find a special Middleton \$10 off coupon for the collection of a Bagster Bag below.

Town of Middleton special discount!

HAVE A BIG CLEANUP PROJECT

THINK GREEN.

**RECYCLE OFTEN.
RECYCLE RIGHT.**

Great things happen when Middleton residents use **Recycle Often. Recycle Right**™. When everyday items like those shown below are recycled, tons of raw materials, time, energy and money are saved. Plus the recycled materials become new products, and the cycle continues.

- Use a container or bin with a capacity of thirty-five (35) gallons or less clearly labeled "Recycling".
- No sorting is needed.
- Do not put recyclables in plastic bags.
- Containers that held food should be rinsed and free of food debris.

Acceptable materials for every-other-week curbside recycling include:

Always recycle:

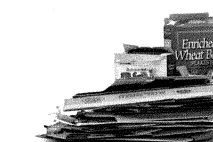

**Plastic Bottles
& Containers**

**Food & Beverage
Cans**

Paper

**Flattened Cardboard
& Paperboard**

**Food & Beverage
Cartons**

**Glass Bottles
& Containers**

Do NOT include in your mixed recycling cart:

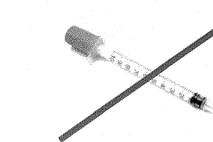

NO Food Waste
(Compost instead!)

**NO Plastic Bags
& Film**
(Find a recycling site at
plasticfilmrecycling.org)

**NO Foam Cups
& Containers**
(Check Earth911.org for options.)

NO Needles
(Keep medical waste out of recycling. Place in safe disposal
containers like Waste Management's MedWaste Tracker® box.)
